

How to Enter a Festival

1. Register as a teacher or private entry

If you are a teacher you will need to upload a passport style photograph

2. Add your students

(click the blue add button in the bottom right hand corner)

You will need information for your students such as their date of birth, address, academic school and other details required by councils

3. Add your dances

(click the blue add button in the bottom right hand corner)

This is where you upload your music and enter details such as if they start on/off stage. You can change these at any time

4. Add your entries

(click the blue add button in the bottom right hand corner)

First select which Festival Connect festival you would like to enter, then choose which of your dances you'd like to enter and then select which section it should be entered into

5. Make your payment

We will let you know as soon as you can make your online payment
